ONB-02 First Day and ID Card

Document ID	ONB-02	**Version**	2.0
Effective date	2026-06-01	**Status**	Current
Owner	Human Resources (HR Manager)	**Applies to**	All new hires, first day and first week

1. Where and when to report

If you work at	Report at	Where	Ask for
Doha HQ	08:00	Reception, ground floor, West Bay head office	The HR onboarding coordinator
Mesaieed Site	06:30	Site Administration Office, Mesaieed Industrial City	The site administrator
Ras Laffan Site	06:30	Site Administration Office, Ras Laffan Industrial City	The site administrator

Bring your original passport (Overseas hires) or your QID (Resident hires and Qatari nationals), and your IBAN details if you have not already sent them to Payroll. Site staff: wear closed shoes and long trousers. The safety equipment (PPE) is issued to you at the induction.

2. What happens on day one

At Doha HQ

- 08:00 Welcome and a short talk with HR; your photo is taken for the ID card.
- Laptop and IT account activation at the IT room, including setting up multi-factor authentication (ONB-05).
- Meet your manager and your buddy; a lunch with the team.
- Your link to the short online HSE induction is sent; you complete it within five working days (ONB-06).

At Mesaieed Site or Ras Laffan Site

- 06:30 Welcome at the Site Administration Office; your photo is taken for the ID card.
- 07:00 The full HSE induction starts at the site HSE training room (ONB-06). **You may not go beyond the site office until it is signed off.**
- After the induction: PPE issued, meet your supervisor and buddy. If your grade is G4 or above, your laptop is collected from the site IT desk (ONB-05). Grades G1 to G3 use shared site terminals and do not get a laptop.

3. Your company ID card

HR takes your photo on day one and we aim to have the card ready within two working days. Until then you receive a temporary visitor pass. At the sites, the ID card also works as your site access pass, but only after the HSE induction is signed off. Wear it visibly. If you lose it, tell HR and HSE on the same day.

4. QID and residence permit

The QID is the Qatar ID card. It is issued by the government; the company's PRO team prepares and submits the paperwork and keeps you informed. What happens depends on your employee type:

Employee type	What happens
Overseas hire	PRO prepares the pre-arrival visa paperwork before you travel. After you arrive and complete the medical fitness test (ONB-03), PRO submits your QID and residence permit application. We aim to start this within ten working days of your start date. Until your QID arrives, carry your passport and Al Dana ID card.
Resident hire	You keep using your current QID. After your medical fitness test, PRO updates your QID and residence details to show Al Dana as your employer, again aiming to begin within ten working days of your start date.
Qatari national	Nothing to do. Your QID stays as it is. The visa, medical fitness and residence steps do not apply to you.

PRO tells you when anything is needed from you, such as a visit for fingerprints or a photo. We do not quote processing times for government steps, because they are not ours to promise. For questions, contact the PRO desk: pro@aldana-group.example, extension 2210.

5. If you cannot attend on the first day

Tell your manager and HR (2200) before the shift starts. Your first day, and your pay start date, move to the day you actually start. Please see ONB-04 to understand how this affects your first salary.
