ONB-04 Payroll, Bank Account and WPS

Document ID	ONB-04	**Version**	2.1
Effective date	2026-09-01	**Status**	Current
Owner	Finance (Finance Manager)	**Applies to**	All new hires. Payroll cut-off dates apply to every employee

1. How you are paid

Salary is paid monthly, by bank transfer into your own bank account in Qatar, through the Wage Protection System (WPS), the national system that records salary transfers. We pay on the **28th** of the month. If the 28th is a Friday or Saturday, we pay on the last working day (Sunday to Thursday) before it. Payslips appear in PeopleHub on the pay date.

2. Payroll cut-off

Payroll closes each month on the **cut-off date**: the 15th of the month, or the last working day before it if the 15th is a Friday or Saturday. Changes and new joiners that reach Payroll after the cut-off wait for the next month's run. The calendar is also published as the payroll calendar file in the HR system.

Month	Cut-off date	Pay date
September 2026	Tuesday 15 September 2026	Monday 28 September 2026
October 2026	Thursday 15 October 2026	Wednesday 28 October 2026
November 2026	Sunday 15 November 2026	Thursday 26 November 2026
December 2026	Tuesday 15 December 2026	Monday 28 December 2026

3. When is my first salary paid?

Your **start date** is the first working day recorded by HR, not the date you signed the contract or landed in Doha. Compare it with the cut-off date of the month in which you start:

1. **Start date on or before the cut-off date:** your first salary is paid on that month's pay date. It covers the days from your start date to the end of the month (see section 4).
2. **Start date after the cut-off date:** your first salary is paid on the **next month's** pay date. That payment includes your part-month of joining plus the full next month.

Worked examples (invented dates, for illustration). Start on Tuesday 6 October 2026: the October cut-off is Thursday 15 October 2026, so you are in the October run and are paid on Wednesday 28 October 2026. Start on Tuesday 20 October 2026: that is after the October cut-off, so your first salary is paid on Thursday 26 November 2026, and it includes the days from 20 to 31 October plus your full November salary. Note that the 28th of November is a Saturday, so the pay date moves back to the Thursday.

4. Pro-rating the first month

For a part-month we pay by calendar days: monthly total package multiplied by (calendar days from your start date to the end of the month, both included) divided by (calendar days in that month). For example, a start on the 20th of a 31-day month gives 12 days out of 31.

5. Bank account

- The account must be in **your own name**. Payroll cannot pay a joint account, a relative's account or an account abroad.
- **Resident hires and Qatari nationals** normally already have an account: send the IBAN (International Bank Account Number) to Payroll within three working days of starting. **Overseas hires** open an account after arriving; HR gives you a company letter, and you send the IBAN to Payroll within five working days of starting.
- Payroll checks the IBAN against the name on your record and marks your task `BANK_ACCOUNT` as done. We cannot pay without a verified IBAN, so if yours arrives after the pay date, the payment goes out in the next run that can include it. Please send it as early as you can.
